## **Dear Parents**

We at DAV Police Public School, Hisar believe in uplifting and overall development of students. We are always working forward to match the pace of changing times. Students come to school for learning and amidst all the learning, they are bound to experiment with the good and bad. We believe in learning by doing and give them an opportunity to learn from their mistakes. Keeping this in mind and to keep the curiosity of students under control, a behavior policy has been framed to monitor and positively alter the behavior of students and control all the possible misconduct of behavior. All the parents are requested to go through the policy carefully and cooperation is expected from you for positively altering the behavior of our students.

## Regards

Dr. Indu Sharma (Principal)
