Chairman's Message

DAV Police Public School has been established to provide an inspirational environment, quality education and other curricular activities in a fine way. Day by day progress done by the school is a matter of joy and satisfaction for me. The school emphasizes the all-round development of students. The school takes care of both-academic and non-academic aspects of a student's learning process. Provision of extra and remedial classes for the slow learners is a special feature of the school.

The teaching faculty is well qualified as per the norms laid by CBSE, New Delhi and approved by the DAV College Managing Committee. It is heartening to know that our students have been awarded Merit Certificates by CBSE, New Delhi for their excellent performance in studies. In the Handball Game 6 students have been selected at State level and 4 students have been selected at National Level. In Boxing One student has been selected at State level and in Table Tennis one student has been selected at State level. I wish the very best to the students & staff of this school.

Member's Message

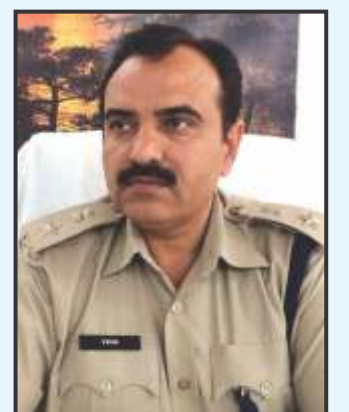

Where the vision is one year, cultivate flower
Where the vision is ten years, cultivate trees
Where the vision is eternity, cultivate youth

Really the job of school is not just to impart knowledge, rather to inculcate moral values in the children and to create a class of youths who can help the nation to grow in a fantastic way. In the name of modernity and progress, we are facing the cultural pollution which is making the coming generations stray away from the thousands year old and time tested traditional path.

The establishment of DAV Police Public School, Hisar has been done with the same notion that it will give sophisticated, refined and well-behaved citizens to the society.

I hope that under the kind patronage of honourable Sh. S.N. Vashist I.P.S., D.G.P, Haryana and able and noble guidance of Sh. Hanif Kureshi, I.P.S, I.G.P, Hisar Range, Hisar, the school will touch the sublime in all the concerned fields.

I congratulate the Principal, the staff, the students and the Editorial board for this issue of the News letter! May they all live a happy, peaceful and prosperous life!
